

KidCheck™
SECURE CHECK-IN FOR CHILDREN'S MINISTRY

We are so excited to announce the roll out of our new Check in system called "Kidcheck!" This system will allow for secure and accurate tracking of all our Nursery-High School programs, and is web-based, meaning you can create, access, manage and update your account from anywhere!

We will go live with KidCheck on April 8, so here's what you need to know...

*Each of you will need to create your own account with KidCheck and we are asking that you do that NOW, so that you are all good to go for the April 8 launch date.

*Go to the App Store or Google Play, and download the KidCheck App (it's the white square with a blue checkmark). You can also go to <https://go.kidcheck.com>

*Once downloaded, select the link to create a free KidCheck account. You will then create an account and fill in the requested fields. Our organization name is: First Baptist Church Lodi

*Rather than creating one account for your whole family (ex. "Steve & Sally Smith"), each parent will need to create their own account. However, only one parent should list the family's children and then they should add the other parent under the guardian section.

*Once you have entered your account information, locate the Kids tab and input your child's information. Make sure you select the save button before moving on. Continue entering information for each of your children (Birth-High School Age).

*Next, locate the Guardians tab and input additional guardians (including your spouse) whom you would like to be able to pick up your children. Remember to click the Save button. Each guardian you list will need to create their own profile (even if it is family members that do not live here, but may be dropping off/ picking up your children while you are away).

*Check in on April 8 will be done the same by entering your 10-digit phone number, however there will only be two main printing hubs (one in the main lobby, and one in the children's building).

**Feel free to contact me at any time with questions/
concerns:**

Pastor Tim: 209-224-1170

There are more exciting features to come (Hint: express Check-In...woo hoo!), but we don't want to get too ahead of ourselves!
