Lesson 3:

“Designed and
Restored”

1. What would you say you are “built for?” What activity, or what kind of work, do you feel most alive when you are doing it? Is there something that when you do this thing, you can confidently say, “I was made for this!” What in your life makes you feel truly *alive*?
2. What in your life keeps you from feeling truly *alive*?
3. In the video, we talked about the reality that God wants to heal & restore “all of us.” Salvation is not just about our eternal security in heaven, it’s also about God healing & restoring every part of our broken selves. What things is God working on, healing, or “saving” in you even now? What things do you wish He would heal but it just seems like He isn’t?
4. Would you agree with this statement: “*God loves you as you are, not as you intend to be.*” Why or why not?
5. We looked at the fact that the Hebrew concept of Repentance comes from the word, “*T’shuvah*” which means “return.” Is this different from how you would have normally understood repentance? How so? Does it change anything for you? Does it make you uncomfortable?
6. Take some time to pray together, specifically that we would learn to seek and become that which God intends us to be.
