

LESSON 7: A NEW EXODUS

This week, we're asking just a few, simple questions to wrap up our Exodus journey.

1. Let's just start with the big question: What is the Exodus journey that God is calling us to? As a Person? As a Group? As a Church?
2. In the video, we talked about some big picture changes going on in our culture right now. What do you think the biggest of those changes are? Do you think we are prepared to handle them as a church?
3. What has been the most powerful or impactful part of this overall series in the book of Exodus, for you? The God who hears the cry? The Burning Bush? The Red Sea Road? Sinai? The Tabernacle? Something else?
4. Spend some time together, as a group, praying for us to understand and embrace the Exodus journey that God has each of us on, together.
