1. When and where in your life did you have the most authority / power?
2. Did you like having the authority / power? What are the benefits? What are the drawbacks?
3. READ Judges chapter 8, but stop and focus on Verse 22-24. How have you seen power corrupt a person? Either in History, or in your own experiences?
4. READ Judges 8:33-35 and Judges 9:1-6. How does your attitude towards power change knowing that someone else (either good or bad) will someday have your power or authority?

So What?

5. Think of areas where you have influence at work, at home, or in society. How does this passage guide you in how you use that power?
